DOCUMENTATION FROM YOUR PHYSICIAN OR COLLEGE REGISTRAR

If you miss a paper deadline, **do not** contact the instructor unless you have followed the steps described here. Telling the professor why you missed a deadline will not be considered.

- In case of **illness**, you must supply a duly completed **Verification of Student Illness** or Injury form (available at www.illnessverification.utoronto.ca). A doctor’s note is not acceptable. The form must be placed in a sealed envelope, addressed to the instructor, and submitted with your work at class.
- If a **personal or family crisis** prevents you from meeting a deadline, you must get a letter from your college registrar (it is a good idea anyway to advise your college registrar if a crisis is interfering with your studies). The letter must be placed in a sealed envelope, addressed to the instructor, and submitted with your work at class.
